

Winter Fae (The Sisters Grimoire Trilogy Book 1)

Born of ancient and magickal bloodlines, Tate Whiteburn and her sisters have been blessed in many ways new abilities, the return of a lost loved one, and the protection of a goddess. But these gifts have drawn the attention of an Iele Fae prince, a cruel being who craves the power of the sisters three, those known in his world as the Daughters of Nadia. As if things aren't complicated enough, there's Jack the boy Tate loved, the man she deserted. With a quest begun and new enemies at every turn, she is torn between duty and desire. When they find themselves in another world, will their rekindled love put them at risk? Or be the only force that can save them?
