

Wrapped in Lace

When I was a little boy, the best thing about the holiday season was unwrapping presents on Christmas morning tearing off the paper and tossing it on the floor. Now that I'm a man, I like to unwrap slowly, deliberately, taking my time to savor what lies before me. I still like to throw the wrapping on the floor, but now I know the best gifts come wrapped in lace. And unlike when I was a kid, I won't get sick of this present by New Year's. I'll definitely be playing with this girl day after day after day. After six years avoiding my hometown, the last thing I expected when I returned was a wannabe bad girl to unwrap my heart and rip open my soul. But that's exactly what happened. Now if I can just get the hell out of my own way, maybe I'll finally get the best gift of all her! Come get unwrapped by Drew this holiday. If hot sex or dirty language bother you this book isn't for you.
