

## Transitions A Spiritual Journey

This is a true story of faith, humor and emotions as a Christian family begins to face the realities and conversations associated with aging parents. With heartfelt honesty, author Diane Feketes meditations and reflections will leave the reader with a deeper love for Christ and provide a positive way of coping with the transitions of life. Transitions, A Spiritual Journey will entertain as well as open the lines of communication among family members, giving insight into each generations view point. It is an inspirational book for both seniors and their children that promises hope for the future. Topics Include: Role reversal in the family, Refusing and accepting help, Trusting God, and an appendix of resources and payment options for in-home care.
